WARNING: Please read and acknowledge

The flood hazard boundary maps and other flood data used by the County Floodplain Administrator in evaluating flood hazards to proposed developments are considered reasonable and accurate for regulatory purposes and are based on the best available scientific and engineering data. On rare occasions greater floods can and will occur and flood heights may be increased by manmade or natural causes. Issuance of an exemption certificate does not imply that developments outside the identified areas of special flood hazard will be free from flooding or flood damage. Issuance of an exemption certificate shall not create liability on the part of Milam County, the Floodplain Administrator or any officer or employee of Milam County in the event of flooding or flood damage does occur.
